Dear Sir/Madam,

**Subject: Mentoring Program of the APT Network of
Women for WRC-23 (APT NOW4WRC23)**

I would like to thank you for your cooperation for the recently concluded 3rd Meeting of the APT Conference Preparatory Group for WRC-23 (APG23-3) which was held virtually from 8 to 13 November 2021. With your cooperation, the meeting was indeed successful. This is to note that APG23-3 had agreed to launch the APT Network of Women for WRC-23 (NOW4WRC23) activity to promote gender equality and facilitate people who are willing to participate in the work of APG. The meeting agreed that APT NOW4WRC23 activities would be organized during the meetings of APG-23 to support all efforts in:

- addressing the specific needs of women delegates for APG
- involving and supporting women delegates
- promoting women's leadership in APG
- encouraging active participation of women delegates from APT members in the meetings of APG, ITU-R and domestic process for WRC-23.

The objectives of APT NOW4WRC23 are, but not limited to;

- to encourage a larger participation of women in the WRC-23 preparatory process and WRC-23
- to prepare women delegates for key roles in the WRC-23 preparatory process and WRC-23 by sharing valuable knowledge and experiences.

In this connection, I would like to invite your organization to encourage women colleagues who are interested in the work of WRC-23 to participate in the Mentoring Program as mentees. In addition, it would be appreciated if you could encourage the experienced experts in the field of radiocommunication in your organization to join this Program as mentors. Application for this Mentoring Program is available online at <https://forms.office.com/r/sQJ8kSnGnu>. This Mentoring Program will be open only to the Members, Associate Members and Affiliate Members of APT. Further details of this Mentoring Program will be communicated at later stage after receiving the applications.

I would appreciate your good support and cooperation in implementing this APT NOW4WRC23 activity and its Mentoring Program.

Yours sincerely,
